Elementary School Supply Fee

Good afternoon Elementary Families,

In an effort to help you save money on basic school supplies and make sure every student has all the items they need to start school, we will be charging a school supply fee for each student in Pre-K through 6th grade. You will receive a notification through FACTS reminding you to pay this fee by the first of August.

Lower Elementary (Pre-K - 2nd Grade) - \$25 Supply Fee per student

Upper Elementary (3rd Grade - 6th Grade) - \$30 Supply Fee per student

This fee will cover all the supplies that each student needs to get the year started except for the following items that will need to be purchased on your own.

Every Grade as needed: Backpack, Lunch Box, and Water Bottle

Pre-K and KG: Nap mat, small pillow, small blanket, and extra clothes labeled in a gallon Ziploc bag

5th Grade: Student Planner
