

## **Lists will be updated as we receive updates.**

### **General Supply List for 7<sup>th</sup>-12<sup>th</sup> grades**

For each grade, we would appreciate if each student could bring in the following item:

- 7<sup>th</sup> Grade – 1 box of Kleenex or comparable tissues
- 8<sup>th</sup> Grade – 1 box of Kleenex or comparable tissues
- 9<sup>th</sup> Grade – 1 roll of paper towels
- 10<sup>th</sup> Grade – 1 container of disinfecting wipes
- 11<sup>th</sup> Grade – 1 container of disinfecting wipes
- 12<sup>th</sup> Grade – 1 container of disinfecting wipes

### **Supply Lists for Life Science, Biology, Chemistry, and Anatomy**

For your selected class, each student needs to have the following materials:

- 2 inch binder
- College ruled composition notebook
- Notebook paper
- Pencils
- Scissors
- Glue
- Colored Pencils

### **Supply List for 7<sup>th</sup> Civics/Geography**

Each student needs to have the following materials:

- 100 Sheets notebook paper
- Colored pencils
- 2 pencils/pens

### **Supply List for 7<sup>th</sup> English**

Each student needs to have the following materials:

- 1 or 2 inch binder
- College ruled loose leaf paper
- 5 divider tabs: Vocabulary, Grammar, Writing, Story Notes, Lined Paper
- Pencils/pens
- Highlighters
- Required novels
  - *The Voyage of the Dawn Treader* by CS Lewis
  - *The Hiding Place* by Corrie Ten Boom
  - Additional titles will be emailed at a later date

## Supply List for PreAlgebra

Each student needs to have the following materials:

- 1 ½ inch binder
- Loose leaf paper
- Pencils
- Ruler with both metric and customary measures
- Scientific calculator with trigonometric functions – This is the calculator that I would like for students to get. If students get a different kind, it makes it difficult for me to demonstrate how to use the calculator for specific calculations that we will be doing, especially in the future. [Amazon](#)
- **Special note for PreAlgebra: A calculator will be used very sparingly in this class. At this age, students still need to use mental math as much as possible, especially multiplication facts. The calculator may be used periodically if the computations involve difficult numbers, or if there are calculator activities in the textbook. I cannot emphasize enough the importance of students knowing the multiplication facts.**

## Supply List for 8<sup>th</sup> English

Each student needs to have the following materials:

- 1 or 2 inch binder
- College ruled loose leaf paper
- 5 divider tabs: Vocabulary, Grammar, Writing, Story Notes, Lined Paper
- Pencils/pens
- Highlighters
- Required novels
  - *The Lightning Thief* by Rick Riordan
  - *The Children's Homer* by Padraic Collum
  - Additional titles will be emailed at a later date

## Supply List for 8<sup>th</sup> World History

Each student needs to have the following materials:

- 1 inch binder
- Pencil pouch with holes (to be kept in binder)
- College ruled loose leaf paper
- Composition notebook (bound, not spiral)
- Pencils
- Pens (blue or black)
- Colored pencils (small enough to fit in the pencil pouch)

- Highlighters (2 or 3 colors)
  - **All of these supplies will be kept in the binder which will remain in the classroom. This binder should not be used for other classes.**
  - **PENCIL POUCH EXCEPTION:** Some students have a pencil pouch with all their pens, pencils, colored pencils, and highlighters that they carry with them to every class. If this is the case, they do not have to have a separate pouch for their binder as long as they always have it with them.

## Supply List for United States History (9<sup>th</sup> grade)

Each student needs to have the following materials:

- Binder
- College ruled loose leaf paper
- Dividers
- Pen/pencil

## Supply List for Geometry

Each student needs to have the following materials:

- 2 inch binder
- Loose leaf paper
- Pencils
- Colored pencils
- Ruler with both metric and customary measures
- Graph paper
- Protractor – I will give each student a protractor. If they lose it or break it, they can buy another one.
- Scientific calculator with trigonometric functions – **This is the calculator that I would like for students to get. If students get a different kind, it makes it difficult for me to demonstrate how to use the calculator for specific calculations that we will be doing. [Amazon](#)**
- Compass – **For students to be able to do constructions well, they MUST have a great compass. Plastic compasses DO NOT work well! The following is a link to the compass that I recommend. If students get a different one, it will be difficult to do constructions well. [Compass](#)**

## Supply List for Drivers Education (10<sup>th</sup> grade)

Each student needs to have the following materials:

- ALEA drivers manual (can be printed off the ALEA website)

## Supply List for College and Career Prep (10<sup>th</sup> grade)

Each student needs to have the following materials:

- Charged Chromebook
- 1 inch binder
- College ruled loose leaf paper
- Blue pens
- Dividers

## Supply Lists for 11<sup>th</sup> and 12<sup>th</sup> English

Each student needs to have the following materials:

- Charged Chromebook
- 1 inch binder
- College ruled loose leaf paper
- Composition notebook
- Blue pens
- Post-it flags

## Supply List for College Algebra, Trig/PreCal, Calculus

Each student needs to have the following materials:

- 2 inch binder
- Loose leaf paper
- Pencils
- Colored pencils
- Straight edge
- Graph paper
- Scientific calculator with trigonometric functions – This is the calculator that I would like for students to get. If students get a different kind, it makes it difficult for me to demonstrate how to use the calculator for specific calculations that we will be doing. [Amazon](#)

## Supply List for Boys Physical Education (7<sup>th</sup>-12<sup>th</sup> grades)

Each student needs to have the following materials:

- Shorts (must meet the standards in Student Handbook)
- T-shirt
- Sneakers
